EYHA was awarded the grant half of the amount of the hard dividers. Discussion surrounding the possibility of seeking a donation to offset the cost.

USA Hockey and WAHA adopted a "Helmet On" rule for coaches, when they are on ice. If not following the rule, the first violation is a 30 day suspension, and the second violation would result in a 1 year suspension. Any Board member can report a coach for a helmet violation.

Update on Jerseys, the orders have been submitted, and an additional 10 jerseys have been placed for the U8 in house program. Jersey orders are currently closed. Currently, EYHA has 21 sets of blue and white jersey that are available for loan/rent throughout the season.

The September Skills sign-up in is process. Currently, the U10 level is full, however, there are open spots in the U8, U12, and U14 sessions.

Goalie sessions for September are September 9th, 16th, 23rd, from 3:50-4:50 pm. Coach Zach Woodman from High Performance Goal Tending will coach these sessions.

Practice jerseys have been ordered in larger sizes for the 18-19 season. Next year, it is likely EYHA will need to replace the smaller practice jerseys.
