## 20TH SEASON...FEATURES 306 FALL WINS, 16 CHAMPIONSHIPS AND MORE!!!

20 years..Jesus, when they say it like that..you wonder where it went" (modified quote from The Shawshank Redemption). That is what this past fall season represented, the 20th year of Blizzard baseball. The fall season has officially wrapped up after the final tournament in Las Vegas, Nevada ended a couple weeks ago. Although the games have ended, this is when

the true grinding begins and when you will see players elevate their games through various training programs over the winter. Before the winter grind begins let's do a brief recap of what was an impressive fall season for the club.

In mid-August the older Elite teams (14-18U) kicked off the fall schedule by participating in the Prospect Select Twin Cities Classic. This tournament was a sign of things to come as the Blizzard captured Championships in all 3 divisions (14U, 16U and 18U). Carson Hart (2026 Blue) had a complete game in the Championship, Finn Furcht (2024 Blue) utilized an upper 80's fastball, Chase McQuade (2024 Blue) delivered a bomb in the chip and 14U Blue got four solid innings out of Ryan Reesman with Jay Mound Closing the door with a 76 mph FB and 66 mph slider. You cannot draw up a better start to the fall than sweeping a tournament but that is exactly what the boys in blue did and I truly believe it was a sign of things to come during a fall season that saw 306 victories between the 23 Blizzard teams!

Second week of fall saw the entire club participate in AFBL Fall Series #1 in which the club grabbed four more championships from the 2024 Blue, 2026 Blue, 15 Blue and 14 Blue teams. Bradyn Bezanson (2024 Blue) was hot all weekend at the plate going 5/12 with a couple doubles, triple and 4 RBI but that weekend was nothing compared to the power surge you will see in Vegas! Cason Borchardt (2026 Blue) was 10/12 with 3 doubles, triple, 7 RBI and 8 runs while Sam Abrahamson (7/11, 2 doubles, 2 HR, 7 RBI, 8 runs) were on fire all weekend. The 15U Blue team used pitching to claim the championship with great starts from Kason Nuehring, Oscar Waisanen and Jackson Kolb. 14 Blue was very balanced offensively and used solid starts on the mound from Brody Radtke, Noah Riegelman, Vinny Bohle and Hayden Danelski. Three teams had claimed back-to-back titles to start the fall season.

Those two tournaments typically take place before Labor Day. This brief break in action allows families to have one final vacation before the fall really picks up as school starts. All the teams would have designated practices in the evening at Inver Grove Heights as well as hitting practice at the facility in Vadnais Heights. It takes patience, cooperation from mother nature, organization, and routines to have a successful fall season not only from the players but also from the coaches and parents.

Following the holiday weekend, the Fall Club Championships kicked off for the older divisions. Although a championship was not captured during the weekend, we had a couple teams finish runner-up. The 2026 Blue team lost the rematch with MASH Black from tournament number 1 and the 15U Gold National team finished runner up. It took the third tournament of the year for the 2024 Blue team to suffer its first defeat of the fall, a truly remarkable start. The 2026 Blue team saw Mason Schmidt extend his streak of 9

straight starts with 10+ strikeouts, Matthew Grundtner threw a 7-inning gem and Cason Borchardt spun a gem from the left side against Icemen Gominsky in the semi-finals. Sam Abrahamson stayed hot at the plate going 7/11 with a couple doubles. The 15U Gold National team saw Joey Setter, Elliot Paidin, Dominic Ericksen and Henry Braun grab 4 hits each on the way to a 4-1 record and a runner up finish to the Mavs. I never worry the team and/or club won't bounce back to claim another title and the boys didn't have to wait long!

*Blake Iverson, Briggs Rowland and Tristan Fearing mob Gibson Granberg after a walk off double to win first game of fall!*

The 4th tournament weekend was back to the AFBL Fall Series #2 for the bulk of the club, a few teams at the Perfect Game tournament in Iowa and a few youth teams battling in the CIS Global Sports Fall State in Des Moines, IA. With everyone in action the boys were able to grab 4 championships over the weekend! 2026 Blue stayed hot by going 5-0 on the way to grabbing AFBL Championship no. 2 on the fall. Abrahamson refused to slow down and let the game of baseball average out by going 9/13 at the plate. Jace Mataczynski was 7/12 while doing his best Sam impression. 13U

Blue brought home a ring from Iowa after going 4-0 over the weekend. Vinny Cognetta and Noah Scott had 3 hits each while Miles Tomaszewski belted 3 doubles. Owen Brookins, Cognetta and Noah Stupeck had great outings on the mound. 12U Blue also brought home some rings from Iowa going 4-1. They dropped a pool game before running the table in the bracket. A complete team effort with everyone contributing over the weekend for this crew and coach Lufkin. The final Chip was grabbed by the 10U squad as they went 4-0 over the weekend with Gibson Granberg going 9/12 and Blake Iverson going 6/9 with 3 doubles, 2 triples and 10 RBI. Briggs Rowland was untouchable on the mound giving up 1 hit in 5 innings of work while striking out 10.

Tournament weekend no. 5 saw the older Elite teams take a weekend off while the Gold teams and youth age battled in the Lumberjack Open. It was the only time the club saw games canceled due to weather as a few of the divisions did not see action on Sunday due to fields. The weekend was not a complete loss as they were able to get the fields ready at several sites. The 2026 Gold team went 5-0-1 on the weekend to grab the Championship. Billy Vander Arade led the team offensively going 8/16 with 3 doubles. Keegan Flansburg, Keith Milam and Rourick Gulbrandson led the way on the mound. 13U Blue went 4-0 to grab another chip with Miles leading the charge going a staggering 11/13 with 3 doubles, 2 triples and a homerun. Cameron Favilla, Owen Brookins, Noah Stupeck and Cognetta provided a punch on the mound. The two chips were a pleasant site as the 10U, 14 Blue, 14 Black and 14 Red all went 2-0 on Saturday only to have Sunday cancelled.

Weekend no. 6 saw a unique twist as the 15U-18U Elite teams were playing in a 4-game guaranteed format that was more of an exposure event. 14U and 15U Gold were playing in a PG event in Iowa and all the youth teams were playing in the Club Championships in the Metro. In all the events the club grabbed 3 runner up finishes. 14U Blue finished runner up in the PG event with Noah

Riegelman grabbing the MVP pitching award for the tournament. 13U Blue grabbed the silver bracket runner up and the 10U group finished the fall with a runner up finish. Zack Murphy and Miles led the offense for 13U and Blake Iverson paced the offense for 10U. Briggs Rowland finished the fall where his spring started in Rochester, which was untouchable. Briggs works hard and it shows on the field. The 7th weekend of the fall season saw the Elite teams head down to Parkville, MO for the PBR KC Fall Showdown and the 11U crew made the trek to Lenexa, KS to duke it out in the 3&2 Octoberfest Tournament. The 2026

Blue team stayed hot by winning another tournament and the 13 Blue team also captured the chip at Creekside. When everyone was enjoying a ride home or had already made it home the 11U bunch was still battling as they won the championship at 9:17 pm on a Sunday night. The grind award goes to all the teachers that had those boys in class on Monday morning and all the parents going into work. The road trips and tournaments are exactly why so many of us love the game. The memories we make and the stories we have will last a lifetime. As the kids say “YOLO” or “You Only Live Once.”

The final tournament of the fall sees the teams travel to sunny Las Vegas. The club has been going to that tournament for years and it is a hard one to win with only 5 chips coming over the years. Well, 2026 Blue finished the season 31-2 and grabbed another chip to cap off a great year and 13U Blue also grabbed a chip in Sin City. Bradyn Bezanson went on a power tear hitting 3 bombs in Vegas to lead all hitters in the tournament. The weekend capped off a season that saw 16 Championships, 10 runner-up finishes and 24 top 4 finishes and an overall record of 306-186-16. In addition to the outstanding team accolades the club also saw 23 players commit to play at the next level. The list below shows who has committed and the team leaders for each respective team.

The entire coaching staff and club wants to thank all the families for making the 20th season a memorable one and we look forward to the Treasure Coast Presidents’ Day Challenge in Vero Beach, Florida in February! #BlueLove
