ABOUT

- Hingham Sports Partnership (HSP) is a non-profit organization, composed of 25 volunteer members, that proudly supports all Hingham youth and high school athletics
- Founded in 1995, HSP has helped raise and reinvest over \$2MM into Hingham athletics
- Most people associate HSP with the HHS Turf Field and Lights project This was a community wide effort, with HSP as lead donor (\$250K towards \$1MM project), and the field is in use all the time by many high school and youth programs
