U10 Race Report

This year's Nancy Greene Festival was a huge success with 17 U10 athletes attending. Thanks to coaches Jonathan, Allie and Mackenzie who lead three teams to several events over the two days including moguls, long jump, speed trap, glalom race, obstacle course and a kombi

event. The racing conditions were hard packed and icy, then soft and slushy, but all of our athletes did an amazing job in what was the first race of the season for most!

U12 Race Report

Our U12 team had a busy month of March with two events. One snowy weekend at the Tye Cup in Whistler, and sun and icy slopes at the Nancy Greene Festival at Sun Peaks. Thanks to coach Sylvi who traveled with the team to both

events and to Scarlet who helped organize families and athletes for their

first away race! Notable results included a silver medal for Curtis Gross in Slalom and Jacob Liem placed 10th in the stubby event at the Tye Cup. Fia Graaten impressed with a 9th place finish in the Slalom at the Tye Cup, and Rebecca Good secured 12th place in the Slalom for 2013 females at Nancy Greene.

U14 Race Report

The U14 team started and ended the month of March with exciting race events.

First, our athletes competed at the U14 Teck Coast Zone race at Whistler, March 2-3, 2024. The two-day event presented challenging weather and course conditions, giving the athletes great Slalom

and Giant Slalom experience at Whistler. Congratulations to our women Danica, Della, Gilia, Sam and Savannah, and our men Calvin, Charlie, Connor, Jasper and Nic on a great race weekend. The U14 team then had a fantastic end to the race season with an action-packed three-day event at the U14 Provincials, held at Red Mountain, March 29-31, 2024. The first day saw our women race a challenging Slalom course in changing weather conditions, while our men raced an exciting GS on the adjacent half of the face of Red Mountain. Day two saw the disciplines switch, with the men running a quick Slalom course to exciting finishes under stunning bluebird skies and our women ran a fast and smooth GS course, with great team spirit (and cowbells) at the finish cheering on our athletes. Day three brought the athletes together for a fun-filled mixed team Dual Slalom event. Congratulations to Danica and Connor for their team's first place finish and to Della for her team's fourth place finish in the team Dual Slalom on Sunday! Big cheers for all of our athletes: Danica, Della, Gilia, Sam, Savannah, Charlie, Connor, Jasper and Nic! Special thanks to coaches Lorraine and Clint for leading the team and to all of the families who attended to make for a memorable U14 Provincials event.

U16 Race Report

During Spring break, our U16 athletes embarked on an exciting journey across

B.C. to participate in the Western Canadian Championships at Mt. Norquay and Lake Louise. Our team of 5 skiers participated alongside over 300 young skiers, and competed in various events including Super

G, Slalom, Giant Slalom, and Dual Slalom throughout the week. Despite challenging icy conditions, our small but mighty crew represented the Mt. Washington club well, showcasing resilience and determination on the slopes.

We extend our gratitude to Coach John for his guidance and leadership, as well as to the parents who provided extra support and encouragement to our athletes. Congratulations to all our racers for their dedication to training, their remarkable perseverance in challenging conditions, and their stellar sportsmanship throughout the season. A special shoutout to Tessa Bell and Piper Graaten for their outstanding achievement in qualifying for the prestigious Whistler Cup in mid-April.

CLUB SPOTLIGHT

Board Members, Coordinators and Committees - As most members are aware, our club thrives on volunteerism led by a core working group of Board members, program coordinators and Board committee members.

This past year a new board committee structure was implemented which has improved clarity in roles and responsibilities and distributed the volunteer workload more widely. Most Board members lead committees which meet regularly. Committees include: Finance, Programs, Marketing and Communications, Safety and Operations, Human Capital and Fundraising.

For next season, the Board is planning to revise the committee structures slightly and is anticipating at least one open spot for an interested member to join the Board. **We are looking for an interested club member to join our board with expertise in human capital** as we add focus to our brand as an employer and our program offering delivered by our valuable employees - our coaches. In such competitive employment markets, the Board wants to increase our support for our head coach John Trimmer as he recruits and trains coaches for next season.

For an overview of our Board and governance structure please check this [webpage](#) and if you'd like to express interest in joining the board for next season **please contact Michael Dinale on 250-661-9401 mobile**

or michael@dingle.ca.
