

# MARK SOBERS

---

Coach Mark is entering his third year as coach with ZYSA.

He played competitive soccer in his native country of Barbados until he came to the States to attend Purdue University. While at Purdue, he obtained a bachelors in Computer Engineering, masters in Computer Information Technology, and a masters in Business Administration. He is currently the Director of Information Technology for the Office of Indiana State Chemist.

Coach Mark enjoys introducing young kids to soccer and developing young talent. He is a volunteer coach for 6U, 8U, and 10U teams at his sons' school, as well as a ZYSA recreational coach for 7U boys.

In addition to coaching, Coach Mark plays soccer weekly and enjoys spending time with his wife and four wonderful little boys.

Coach Mark plans to earn his USSF National D license this coming club year.
