

Dear Gig Harbor Community Member,

Peninsula Youth Football and Cheer is celebrating our 47th year providing a fun, safe and enriching experience for the kids in our community. We are a parent-run volunteer organization.

PYFC teaches our local kids teamwork, sportsmanship, physical fitness and discipline. These young athletes are taught football and cheer skills with a focus on fun and safety. The kids play and cheer for Gig Harbor Tides and Peninsula Seahawks, which allows them to develop a sense of community and school pride as they work their way up to the high school programs. Being a non-profit community-based program, we rely on our community partnerships to allow us to continue to produce a top-notch program year after year. With the rising costs of safety equipment, fees for field space and other expenses like referees, we need your help.

We would love to partner with your business! A sponsorship with PYFC is a great way to promote your business while supporting a long-standing enriching community program. We offer several sponsorship levels, highlighted on the following page. Your contribution will help ensure that these kids continue to have an opportunity to play, learn and grow.

Please reach out if I can answer any questions.

Thank you for your support!

Pattie Reuter
PYFC Director of Marketing
