## GENERAL INFORMATION

### ABOUT PPYA- PowerPlay Youth Academy & Athletics

PowerPlay Youth Academy was founded as an organization established in support of youth development in athletics and academics. We believe that the skills emphasized by our athletics programs are essential lessons needed to achieve success in any sport as well as in life. In order to reinforce the fundamentals of greatness, PPYA supports our youth in gaining a competitive advantage and maintaining a power position. Our mission is to support our youth in mastering their skills, striving for greatness and playing the game and life to WIN!

PPYA offers the basketball team, **POWERPLAY HOOPS**, for boys and girls ages 8-15. Our team was founded by a husband and wife combination, dedicated to creating options and opportunities for youth to get active and to be successful. They know personally the advantages of belonging to a team and believe wholeheartedly in the benefits of basketball. Our program will help the youth to develop a positive attitude and outlook, good sportsmanship and respect for self and others. It is our fundamental belief that our initial training program is at the core of success in all sports. The skills our participants master are transferable and will indeed help them achieve success in life.

Our club is committed to developing the talent of our youth, encouraging both physical fitness and strong mental health. Our goal is to instill pride in the youth, a sense of healthy competition and personal responsibility while encouraging positive self esteem, strong character and leadership. **\*\*We are committed to each of our athletes therefore our policy does not allow our athletes to participate on other AAU teams simultaneously.**

We are a member organization of AAU Athletics and agree to abide by their Rules and Regulations. We look forward to welcoming youth from Rancho Cucamonga and surrounding cities for the first time in several years.
