

CONSTRUCTION

There is a lot of construction going on around the complex at the moment. There is only 1 lane each way on Danforth when exiting to the East.

Also if you are traveling from the South, there is no left turn from Kelly to Danforth so please do not come up Kelly. Please use either Fretz or Broadway (1 mile east of Kelly) and turn left onto Danforth or Santa Fe (1 mile west of Kelly) and turn right onto Danforth.

Here is a map to help you out

Thanks
