

## 2026 CHRVA Junior Girls' Non-Bid Regional Championships Requirements

This document is being provided to inform clubs and teams of the process and criteria for entering teams in the CHRVA Junior Girls' Non-Bid Regional Championships. Applications which are not complete or which do not conform to all the specified criteria will not be considered for acceptance.

No player may participate on more than one junior's team for the CHRVA Regional Championships except if that team's roster is reduced to fewer than seven players as a result of injury. Only a player from within the team's club may be transferred to that team's roster as a replacement for the injured player. The injury must be of a verifiable nature and prior approval must be obtained from the Registration Committee. The result of any such movement will not cause a team's roster to consist of more than seven players. The injured player may continue to compete following the completion of the team's Regional Championship competition.

### Requirements for the non-bid level of Regional Championships:

1. If any age group at the non-bid level of Regional Championships is oversubscribed, teams will be accepted on a first come- first serve basis provided a team has met all the criteria. Every attempt will be made to accommodate all teams.
2. Teams entering the non-bid level of Regional Championships are required to have played in at least two CHRVA sanctioned tournaments prior to the Regional Championships. Registration for the CHRVA sanctioned tournaments may be accessed at Advanced Event Systems, [advancedeventsystems.com](http://advancedeventsystems.com). (MD. Jr's MLK tournament, Capital Hill Classic, and National Harbor Showdown are all CHRVA sanctioned tournaments and each counts as one tournament.)
3. Teams must complete an application at [advancedeventsystems.com](http://advancedeventsystems.com) and **pay online when registering**. Entry fee must be received by the close date to be eligible for this event. The close date for Girls' 18s Regional Championships is February 1, 2026. The close date for all other age groups is March 1, 2026.
4. Placement of teams in the tournament will be done by reviewing the AES rankings and tournament finishes.
5. Posting of the tournament will follow the CHRVA posting guidelines.
6. The official roster is the CHRVA/USAV roster that is maintained on CHRVA Sports Engine HQ. This is the roster that the CHRVA Registrar and Club Directors maintain during the season.
7. Official Rosters will be reviewed and collected at check-in.

Note: There are no bids awarded at the Non-Bid level to the USAV National Championships.
