

Buffalo Youth Hockey Association Steps Required for Entering the BCC Updated 09/01/2020

September 16th kicks off our first pre-season session! We are thrilled to be able to continue with our 2020/2021 hockey season. Under our current COVID-19 situation, there are certain steps that we must implement in order to play this year.

For entering the Buffalo Civic Center (“BCC”) for any BYHA activity:

Prior to you or your skater arriving at pre-season clinics, try-outs, practices, scrimmages or games... they must complete the BYHA COVID-19 Questionnaire. If the questionnaire is not completed for your skater (whether a parent completes it, or the skater/coach), they will not be allowed on the ice. We understand that this is not ideal, but a step we need to take to allow us all to enjoy the sport we love and to keep everyone safe. We appreciate your understanding and cooperation.

This questionnaire can be accessed at this link (it's a google form):

<https://forms.gle/Rh5f66c9nQ55H7xD7>

Also, here is a QR Code for easy access:

You can access this form either on a computer or on your smart phone.

A tip to make this easy: once you access the site the first time, save it to your favorites or bookmark it on your phone or computer. This way you don't have to remember the website every time.

If you have any questions about this form or anything related to COVID-19, please contact the BYHA President-Lena Gawtry at #612-386-1104 or acgawtry@gmail.com.

Thank you and we are looking forward to a fun and healthy hockey season!
