SPECIAL NOTES:

- Teams will start off/meet inside DOME space at team start times
- Once the HS season starts up, that will be priority #1 for those players. MS and LL players will still have a Sunday workout until your season starts up. Start times could change from above schedule.
- In spring, once fields are playable outside, we will use Windham HS complex to practice or scrimmage outside on Sunday. Times will be tbd. We want teams working out until the spring/summer tourney schedule starts up.
- 18u teams will not play a tourney until the HS playoffs (state championship) is over. We have an 18+ teams playing early in June and can get a player or 2 in that environment if needed.
- 16u team will start playing once the HS regular season schedule is completed. There may be a game during the HS playoffs. We will work with you and your individual coach's rule with regards to playing travel ball on weekend.
- 14u, 12u and 10u teams will start up at some point in May with first tournament. There may be conflict with local Little League teams playing a regular season Saturday game. We will communicate as to your specific situation.
- All teams will be completed travel weekend tourney schedule after the first week of August 3-4, 2019 as that would be the last available weekend for Thunder to travel and play.
