Winter ball - We need to get the coaches from little league and our coaches together to see what they want to do. Steve will call the National Sports Center and the dome to see what days and times they would have for us to possibly use. Once the meeting of coaches happens, we can reserve spaces.

Coaches clinic - We will be doing a coaches clinic in April and an umpire clinic for training the same day, usually in the high school field house. We should pick a day soon so that we can reserve either the cafeteria or gym space to use.

P5 sale items for next season - 8 sets of weighted balls, a bucket of used balls, 2 sets of catchers gear, a ball carrier, total spent was less than \$600.

Food fundraising - Ashley is looking into doing a food fundraiser at the VFW. She's trying to figure out who to talk to about it. We'd possibly like to bring back the taco feed at Riverview.

Tournaments - Steve is going to start registering teams for tournaments after discussing them with the coaches. This will start ASAP so they can get the dates they want. December 8th is

when the state qualifier tournaments will be announced from MYAS. Those tournaments will fill fast.
