ABOVE THE LINE SHOUTOUT

"Having Alex practice with GPST was the best decision. We appreciate the training opportunities & coaching the staff provided. All of that contributed to his success this year. On top of that, he made friends and bonded with so many kids from the team. The best moment was watching Alex huddled with Alber, Brian and Sam. We had no idea how he did (no live timing), and Sam ran up to him screaming, 'Alex what is your last name?' and then telling him he was in 4th place. They all fist bumped and screamed with excitement for Alex."
