

Great Plains Region Adult Tournaments Only

UNIFORM REQUIREMENTS

The Region requires matching shirts and similarly colored shorts.

INJURY POLICY - PLAYING WITH 5 PLAYERS

In case of injury, adult teams will be allowed to continue playing with only five players. Teams must have six players to start the day, but once reduced to five players due to an injury, may continue to play for the remainder of the tournament. Reduction of a team to less than six players due to sanctions or because a player "has to leave" will result in forfeit of the game. For purposes of serving order, whenever the missing player rotates into the serving rotation, a loss of rally will be awarded to the opponent. When a team starts a game with only five players, the captain may designate the starting position of the missing player on the line-up sheet as "00". For purposes of player positioning, regardless of the serving order position of the missing player, the center back position will be eliminated, meaning the center front player may be as far back as they wish, but the right and left back players may not overlap each other. This allows for three players to always be present in the front row regardless of the phantom player's position on the court.
