

Introduction:

This policy describes how refunds of competitive soccer registration costs will be considered at Great River SC.

Policy:General Policy:

Once a player registers and becomes bound to Great River SC, according to MYSAs rules, all registration fees are planned for by the club and associated team. Therefore no refunds will be given. If a player later decides not to play soccer for the year, or requests and is granted a release from the club to play at elsewhere, no refunds will be given. In special circumstances the board may review refund requests on a case by case basis.

Special Circumstances:

On rare occasions refund requests may be considered by the board on a case by case basis. Some reasons a full or partial refund may be considered include:

- Player is medically unable to play
- Player moves a significant distance away and is unable to continue playing for the club
- Death of a close family member
- Traumatic family circumstances
- Player enlisting in military service

Refund Amount:

Factors used in determination of whether a full or partial refund is recommended include:

- If the player has attended practice with the team
- How much time the player practiced
- At which point in the season the refund was requested
- If the refund will cause financial harm to the team or club
- The seriousness of the situation that led to the refund request

Any refund granted will be for registration costs only. There will not be a refund of coaching or tournament fees. Total refunds will be less any invoices owed to the club/team.
