The two camps below are specific for BOYS interested in volleyball

The following co-ed camps are suitable for both boys and girls entering 8th grade or younger or as a high school-aged setter or defender. Note: 14U boys play on a women's height net, boys that age can participate in any girls camp that they are eligible for per their age/experience.

Additionally, we believe high school-aged boys can safely participate in our Setter Camps as well as our Ball Control and Serving Camps and gain a great benefit in doing so!
