

12/4/25- Giving Tree- Northfield Hockey Day

Good evening NHA Families -

We hope you are having a great week so far and are staying warm!

We have our 2025 Giving Tree Up at the Ice Arena:

In the spirit of the giving season, NHA would like to highlight the incredible support the Northfield Community Action Center (CAC) provides to many of our families and the greater Northfield community. Several of our own NHA families rely on the CAC for scholarships, food, and essential resources.

This past year alone, the CAC saw an incredible increase in need—on top of an already strained food shelf system. As they continue to show up for our community, they need our support now more than ever.

How you can help:

Each week, hundreds of neighbors across Rice County depend on the CAC's food access locations. Your donations—big or small—truly make a difference.

Our NHA will be setting up a Giving Tree in the Northfield Arena decorated with ornaments listing items needed by the CAC. **Please take a moment to look at the attached flyer. If you're able to donate items from the list, we would be so grateful. Even if the ornament you hoped to take is already gone, please feel free to donate that item anyway. Our goal is to double or even triple the food donations represented on the tree!**

When you're ready to donate, simply drop items off in the main office. NHA will coordinate with arena staff to gather everything. We plan to deliver the full NHA donation on **Sunday, December 15th**, giving us a couple of weeks to rally together.

Please also consider sharing this message with friends and family—everyone is welcome to participate!

Hockey Day Northfield

We are only one week away from Hockey Day Northfield with games starting next Friday, December 12th - please see our event page for more details - [linked here](#)

You should have received communication from your team managers this week on our association goal for raising \$5,000 for the Children's Cancer Research Fund - lets rally

together to make this goal possible and for all association skaters to receive a surprise after Hockey Day! Share with friends and family to help make this possible!

Make sure to swing out Saturday to check out all the events, especially the drop raffle, where we have a pretty special signed MN Wild Stick!

Have a great evening,

NHA
