Decisions of the Discipline Committee within the confines of the event are final and are neither appealable nor subject to a protest.

 - When applicable, if three teams are tied in points, but one team has defeated the other teams tied in points, the winner of the two games will advance.
 - In addition, once a tiebreaker is used to eliminate one team (i.e. head-to-head, goal differential, etc.), the next tiebreaker in line will be used to determine the winner or team that advances.
- c. Uneven number of games: If a tiebreaker calculation between two or more teams would be based on a different number of games, total goals and fewest goals allowed will be converted into a percentage per game.

8. GAME AUTHORITY AND DISCIPLINE.

RULES:

2019 ENPL Playoffs and Finals

- a. The referee's decision in all matters related to the field and the game itself shall be final. There shall be no protests of any referee's decision or game result. Referee Evaluation Forms (to be completed by a coach only) are available inside the team registration packet. No other forms will be provided. Red cards awarded to players during a game, or dismissals of team officials, shall result in that player or team official being suspended for the next game. Red card suspensions, except for violent conduct or misconduct towards a game official, issued in the final game of an NPL regular season or playoffs, shall not carry over to the NPL Finals, but will be served in the next regular-season game in the following season.
- b. There shall be no yellow card accumulations. Note that FIFA Circulars #866 and #821 require that a sendoff for a red card or a sendoff after two yellow cards in a game be treated the same. Thus, in both cases, the player must sit out the remainder of that game and the next tournament game.
- c. If, in the opinion of the referee, it is necessary to terminate a game due to the misconduct of a team or others associated with that team, the game shall be forfeited to the opposing team and the matter shall be referred to the Discipline Committee, which may, among other penalties, suspend the team for the remainder of the tournament or undertake other disciplinary action. If, in the opinion of the referee, the termination is the result of substantially equivalent misconduct by both teams or by persons associated with both teams, the matter will be resolved by the Discipline Committee.
- d. The team official shall serve his/her suspension in a game involving the same team when the dismissal occurred, unless the team has no more such games remaining. In this case, the club official shall serve the suspension on the next available game. The Tournament Rules and Discipline Committee shall have the authority to take further disciplinary action should it be deemed necessary.
- e. Except for violent conduct or misconduct towards a game official, suspensions for normal red cards and staff ejections shall not extend beyond the ENPL Playoffs or ENPL Finals. Any suspension beyond the postseason shall be at the discretion of the Competition Director or US Club Soccer.
- f. For serious discipline matters with the potential to incur penalties beyond the issuance of a red card or staff ejection, a *Competition Incident Report* and a referee's report shall be completed and sent to US Club Soccer. Also, the referee shall give the delinquent players or staff passcards to US Club Soccer.
- g. At all times, all coaches shall have complete responsibility and control for the conduct of their players, bench area, parents, family and friends. Failure to do so may result in game stoppage.
- h. At the end of each game, the referee's game report shall be submitted to the Competition Director.
- i. In the event a red card is issued, the referee shall obtain the delinquent player's/staff member's passcard and take it to the US Club Soccer headquarters tent. After the suspension is served, the coach may pick up the passcard, unless there is the allegation of referee abuse or the Competition Director/referee feels that additional action is warranted.

9. GAME START TIMES AND RESCHEDULING.

- a. All games shall start at the designated time. A forfeit shall be declared if a team cannot field a minimum of seven (7) players at the start time of the game. However, the Competition Director shall have the authority to adjust the schedule in cases where a team's arrival has been delayed due to unforeseen

travel or weather conditions, or other circumstances beyond the control of the team.

- b. The Competition Director will make reasonable efforts to complete every game as long as the safety of the participants and spectators is not jeopardized. Should a game not be able to be started or should a suspension of play be required due to safety concerns or unplayable conditions, the referee, coaches, Competition Director shall consult, but the referee shall have the ultimate authority to either suspend or terminate the game.
- c. If it is not possible to complete a game that has been stopped for the reasons set forth in this section, the Competition Director may require that the game be continued at a different time, or if the first half is completed, may determine that the results shall stand. If the first half is not completed, the Competition Director shall determine whether the game shall be rescheduled and continued, or whether another resolution of the matter shall be implemented based on his or her best judgment. The schedule of remaining games or any impacts on group winners shall be a factor in any determination. Any decisions by the Competition Director under this section are final, and there shall be no protests or appeals.
- d. In all cases, the Competition Director has the ultimate authority and sole discretion to adjust the schedule of any or all remaining games, including shortening the length of games, to arrive at an equitable result and in consideration of the overall integrity of the competition.
