

## House Festival Guidelines

- The Festival is for fun and to celebrate House Hockey
- All USA Hockey rules will apply with penalties 1:30 for minor, 5 minutes for a major, 10 for misconduct
- The games need to move quickly - quick 2-min warm-ups, get on and off for the next game, etc.
- Each team will receive two (2) CAHA We Honor The Game Role Model of the Game plaques to hand out to two players after the event. These are to recognize those players who are role models who show Respect for ROOTS - Rules, Opponents, Officials, Teammates, and Self.
- The intent is to give each team a minimum of three (3) 30-minute runtime games. Sometimes this is adjusted based on ice availability.
- Games will be played in two periods with 2-minute warmup, 1 minute between periods, no time outs
