

DCSAA STATEMENT ON CORONAVIRUS

Dear DCSAA Member Schools, Student Athletes and Families:

On March 11, 2020, the Office of the Mayor declared a Public Health Emergency to “prepare District government agencies for the potential impacts of the Coronavirus (COVID-19).” DCSAA will work alongside the Office of the Mayor to keep our member schools, student athletes and families healthy and safe. Likewise, DCSAA will continue to support our local leagues in reducing the threat of the virus. Please visit our website, dcsaasports.org, for updates regarding changes in our upcoming competitions and events.

DC Department of Health prohibits certain "Mass Gatherings" of two hundred and fifty (250) or more persons at the same time in a single room or other single confined or enclosed space to reduce the spread of a new strain of coronavirus called COVID-19 that caused an outbreak of respiratory illness first detected in Wuhan, Hubei Province, China that has rapidly spread to numerous countries and is now present in the District of Columbia.

We ask you to follow the Office of the Mayor’s tips for staying healthy: wash your hands for at least twenty (20) seconds and stay home if you are feeling sick. You can review the rest of the Mayor’s tips and all updates at coronavirus.dc.gov.

DCSAA wishes everyone good health in the coming weeks
