Note: Any Approved Play Down Request players will be held to the maximum pitch count of the Division they are playing in.

The pitcher named in the batting order turned in prior to the start of the game, shall pitch to the first batter until such batter is put out or reaches first base, unless the pitcher sustains injury or illness which, in the judgment of The umpire, incapacitates him from pitching. Once the umpire signals "play ball" to the pitcher, that pitcher shall become the pitcher of record and their pitch count begins at that point.

**The pitcher will only be required to observe the calendar day(s) of rest for the threshold he/she reached during the start of that at bat. Provided that the pitcher is removed before delivering a pitch
