

Milford Knights Travel Basketball

Try Out Dates Announced

We are proud to announce our 2021-2022 Milford Knights Travel Basketball try out dates. The Milford Knights program is designed for boys and girls that are looking for a more competitive basketball experience while also preparing them for high school basketball. Our program is 4th grade through 8th grade with 1 team per grade on the girls side and 2 teams per grade on the boys side.

We are expecting this year to be a little better than last year but there is still a health crisis going on which brings uncertainty. We are still waiting for many of the details to formalize but the next step in the process is to hold our annual try outs and create our teams. We will have more information as we get into the fall. We are in contact with the Recreation Department as well as the Milford Health Dept.

To be eligible to participate, you must attend at least one session, but we encourage you to attend all sessions to have the best chance to make the team. All tryouts will be held at the gym in the Parsons Complex, the address is 70 West River Street. Please visit our website: www.milfordknights.com for more info, including pricing, team/season and our required tryout waiver form that is needed at tryouts.
