FAIRFAX COUNTY POLICE TIPS TO HELP AVOID VEHICLE THEFT

Theft, it's as easy as 1,2,3

1. Thieves look for full parking lots especially around athletic fields for unattended cars.
2. They look for valuables in plain sight like purses, bags, wallets and electronics.
3. They will break a window on the unattended car to steal what they see!

What can YOU do?

- Remove anything of value, including your pocket change, from view inside your car
- Keep your important things, like ID, credit cards and your phone with you, on your person
- If you don't need it, leave it at home!
- Be aware of your surroundings, keep an eye out for suspicious activity in and around parked cars
- Report suspicious activity to the Fairfax County Police Department immediately by calling the non-emergency number, 703-691-2131 or 911 for any emergency
