

FIELD BALL ROLL MEASUREMENTS VOLUNTEER

Description of Role:

Support the Club by helping with the assessment of the suitability and playability of north shore turfs for field hockey purposes

Primary Responsibilities:

- Travel to artificial turf fields on the north shore with Facilities committee member
- Be trained on how to conduct ball roll measurements

Time Commitment:

- Field Ball rolling is conducted once a year by the Club, typically in the fall
- You would be required for a few hours over several days as long as all fields get done

Skill Requirements:

- Ability to continue the existing measurement system with consistency
- Ability to write up the measurements in existing spreadsheet format
- May be some physical work (eg. setting up, standing)

Benefits:

- ✓ Involvement with other Facilities volunteers
- ✓ Perfect for people looking to volunteer on a short-term, time-specific basis
- ✓ Support provided by the Club (see below)
- ✓ Invitation to our season–end Volunteer Appreciation event and other events as appropriate

Support:

- Supported by the Facilities Committee
- Training will be provided
